## CALL FOR SPEAKERS

2020 Manitoba Geothermal Energy Alliance Conference - “Leading by Example”

Thursday, April 9<sup>th</sup>, 2020  
Victoria Inn Hotel & Convention Centre  
1808 Wellington Ave  
Winnipeg, MB  
R3H 0G3

### Open Invitation: Call for Speakers

The Board of Directors of the Manitoba Geothermal Energy Alliance are pleased to announce the MGEA will be holding a one-day “*Leading by Example*” Conference on Thursday, April 9<sup>th</sup>, 2020 at the Victoria Inn Hotel and Convention Centre.

“Leading by Example” Conference: 8:00 AM – 5:00 PM

Geothermal Public Information Session: 7:00 PM – 9:00 PM (Doors open at 6:30PM)

The 2020 Manitoba Geothermal Energy Alliance “Leading by Example” Conference will highlight several residential, multi-unit residential, commercial and recreational geothermal projects in Manitoba. The conference will include innovations in our industries products, geothermal system design and geothermal installation (including ground loop heat exchangers). Existing and emerging

financing programs, incentive programs, business opportunities, training opportunities, regulations and the future of the geothermal industry in Manitoba will all be discussed.

The 2020 MGEA Conference is in the advanced planning stages. The MGEA Board of Directors has engaged Planners Plus to manage the conference and Evolution Presentation Technologies for the audio/video presentations. Plans for multiple speakers/presentations, a trade show for industry related products and suppliers, a ground-loop installation equipment showcase and an evening information session open to the public are all underway.

### **Take Part and Share Your Experience**

The MGEA is looking for a diversity of speakers to share their experience with geothermal heat pump technology, research and projects including, but not limited to:

- Architects/Engineers/Designers
- Building Owners/Building Managers/Developers
- Installation Contractors
- Utilities
- Government
- Students and Academics
- Other Climate Change Action Associations

### **Deadline for Submissions: Thursday, November 21st, 2019 at 5:00 PM**
